

Is there any cost for the services provided by the Catholic Community Foundation?

The services of the **Catholic Community Foundation** are provided without any cost or obligation to prospective donors and those interested in learning about giving opportunities.

You want to make a significant gift? What should your first step be?

If you are interested in dedicating your hard earned assets to make an incredible impact on the lives of your neighbors, your community and your Church for centuries to come, then contact the **Catholic Community Foundation** using the information provided on the back panel. We will provide you with all the information and assistance you need to make a knowledgeable decision.

Working together, we can help you establish a restricted Fund which will forever benefit the Catholic diocese, parish, mission, school or agency. This gift will fill your heart with joy, make a difference for others, benefit those you love most and proclaim Christ's love for you and all of His people.

Thank You.
