

A Blessed and peaceful Thanksgiving is extended to all! It is a day on which we are called to bow our heads in Prayer and Thanksgiving for everything God Almighty has given.

Let us also remember to be generous to the less fortunate and kind to the stranger among us. Call out to Our Lord for the grace and gratitude to be guided on our journey to become A Disciple of Christ.

Rest assured of my prayers for you and your family, and I encourage all to carry on the great work of Christ.

Have a Happy and Blessed Thanksgiving Day.
