At one time or another all of us are confronted with end of life concerns either for ourselves or loved ones.

Medical and ethical issues can be a source of confusion and anxiety as we try to make the right decisions. Our Catholic Faith provides clarity and

reassurance on these matters. Deacon Al Mauriello, M.D. will present an overview of the Church's teachings and information that you will be glad you know when you are faced with such decisions. There will be an opportunity for questions after the presentation.

Deacon Alfred J. Mauriello II, M.D.
