

Lesson 2 for Grades 3, 4 & 5

Safe Adults, Safe Touches and *Special Safe Adults*

ACTIVITY OPTION #5: Fill in the Blank Worksheet — “In-person and online”

Instructions: Read each statement below for situations that deal with in-person communication / behavior, and behavior that occurs while online or using the Internet. You'll be utilizing the words located in the Word Bank to fill in the blanks for each scenario, and discussing the answers at the end with your whole group. NOTE: One word in the Word Bank will be used twice.

For an added element of difficulty, cover up the word bank and try to fill in the blank without reading the available options.

IN-PERSON COMMUNICATION / BEHAVIOR SCENARIOS

1. Most touches are safe, but there are some that are _____.
2. If someone or something makes me feel uncomfortable, it's OK for me to stick up for myself and say the word _____ to an adult or other child.
3. If someone tries to touch my private body parts or wants me to touch their private parts, I should try to get away from the person and tell my _____ or my _____ safe adult right away!
4. If my friend tells me that something bad happened to them but asks me to keep it a _____, I need to still tell an adult right away because their safety is so important!
5. No one has a right to touch my private body parts, except to keep me clean and _____, and only if they are a _____ safe adult.

ONLINE & INTERNET COMMUNICATION / BEHAVIOR SCENARIOS

6. If I'm using technology or the Internet and I see something that I know is against the _____, I should go tell my parent or safe adult immediately!
7. If I'm playing a game online and something _____ me or upsets me, I need to tell an adult about it right away.
8. If someone says _____ words to me when we are playing or having fun, it is important for me to tell a safe _____ about what was said.
9. If someone shows me an inappropriate _____ using a phone, or when using the Internet, it's OK for me to tell about it even though I might have looked at the image.
